

# WORLD OPHTHALMOLOGY CONGRESS® 2012

XXXIII International Congress of Ophthalmology ® 2012

12<sup>th</sup> International Congress of the Middle East Africa Council of Ophthalmology (MEACO)

The true magic of this meeting will be the diversity of cultures and expertise interacting in a stimulating educational environment. Join us for the opportunity to connect and learn with the dramatic city of Abu Dhabi as a backdrop.

- More than 500 scientific sessions.
- More than 2000 internationally recognized speakers.
- A subspecialty day for Cataract, Refractive Surgery, Glaucoma, Retina, Pediatric Ophthalmology, Oculoplasty.
- New special sessions, including ICO Quiz, 3-D Stereotactic Anatomy Course, Ophthalmic Premier League and much more!

From the scientific to the social, WOC2012 offers something for everyone.
